

## CITY OF EUREKA

PUBLIC WORKS DEPARTMENT

531 K Street • Eureka, California 95501-1146

2-17-16

Lauren Fondahl  
Biosolids Coordinator, WTR-2-3  
US EPA Region 9  
75 Hawthorn St.  
San Francisco, CA 94105

Lauren,

Attached is the 2015 Biosolids Annual Report for the City of Eureka.

The City processed greater than 290 metric tons of biosolids in 2015 thereby requiring quarterly monitoring. As indicated in our report, the City only monitored twice. As per your communication with Clay Yerby, two more samples are currently undergoing analysis and we anticipate providing the results to you around the first week in March 2016.

I have implemented controls to prevent this from happening again in the future.

We appreciate your patience and understanding and want to assure you that this will not happen again.

Sincerely,

Daniel Duncan  
Deputy Public Works Director – Utility Operations  
City of Eureka  
4301 Hilfkier Ln.  
Eureka, CA 95501
